

## Patio Cover Plan Submittal Requirements

(CBN Cases – Additional Porch/Patio square footage)

Plans shall consist of the following:

**Correct number of 11" x 17" to 36" x 48" plan sets drawn to scale and dimensioned:**

- 3 sets for Building Inspection Division
- 1 set for Assessor (11" x17" floor plan required at issuance)
- 2 sets may be required by the Fire District (to be submitted by the applicant) if the combined aggregate area of improvement exceeds 3599 square feet *or* is more than 150 feet from a public street *or* is on a private well.

**Note:** 1 set for the Environmental Health Department *may* be required for review of improvements with domestic water wells and /or septic systems. (A separate application and fee *may* be required).

\_\_\_\_\_ **Total number of plan sets**
